

**Notes**

Refer to Planting Plans 01- 03, plant schedules and landscape specification for plant species, size and planting information.

Refer to Technical Plans 01- 03 and Landscape Specification for setting out information, hard landscape materials, locations and technical information.

If in any doubt contact the Garden Designer for clarification of the works information.

All (m2) areas are estimated to assist initial costing. Contractor to take own site measurements prior to purchase of materials or plants.
