

**Consultation Response from KC,
Trees**

2024/91185 Oakroyd Hall, West Yorkshire Fire And Rescue Service Headquarters, Bradford Road, Birkenshaw, BD11 2DY

Variation of condition 2 (plans) and condition 15 (Car Park Management Plan) on previous permission 2022/92681 for variation of conditions 2 (Plans), 3 (CMP), 4 (LEDS), 8 (BEMP) 12 (Drainage), 17 (AMS), 22 (Phase II Intrusive Investigation), 23 (Remediation) on previous permission 2022/91138 for demolition of existing training centre and occupational health buildings, erection of new headquarters including indoor training centre, extension of existing building to form new fire station, extension of car parking and associated landscaping and drainage

Date Responded: 12/06/2024

Responding Officer: Jack Dunn

Responding Ref: 21/14

The variations will have virtually no effect on the retained trees as per previous permission. The only trees to be effected is G11 of which there are proposed new curb works within the root protection area. The Arboricultural impact assessment and method statement Addendum sufficiently details how these works will be supervised and hand dig techniques will be used. I am confident this won't result in any further tree loss.

No objection.
