Date Responded:
5th July 2024
Responding Officer:
NH
Responding Ref:
WK/20241316

The applicant seeks to vary condition 2 and condition 5 on previous permission 2022/92681.

After reviewing the application to vary conditions 2 and 5, we acknowledge the supporting documents provided. These mostly pertain to matters beyond the remit of Environmental Health.

However, concerning the generator and exhaust system, we require additional information in relation to the specification and location before we can comment further.

Recommendations

We refrain from providing additional comments on the application to vary conditions 2 and 15 until we receive further information regarding the matter above.
