<p>The development of 50 houses in this area is totally wrong in my opinion</p> <p>I think the main issues is the impact on highway safety and traffic on what is a single track road. This road, which connects Shelpley to Stocks Moor is well used, but very, very dangerous as it is so narrow.</p> <p>The bend at the top of the road which this development is on is on an adverse camber, blind as you approach from the bottom and extremely dangerous.</p>
