<p>I believe this proposed estate to be hugely detrimental to this beautiful village. I regularly visit to walk in and around this village, as it is peaceful, has an abundance of wildlife and has lovely views across the valley, this estate would completely block that view. I have noticed the increase in traffic since Covid, particularly on Shepley Road/Stones Wood Lane, where we walk to enter the stunning ancient woodland that is Stones Wood. The village simply cannot handle the extra traffic that this estate would certainly create. I cannot understand why such a large, ugly development would be considered in such a lovely place. Especially as the village has no shops, schools, GP and has very poor public transport. I have huge concerns for the wildlife, which uses this field as it adjoins the woodland.</p>
