I wish to strongly lodge an objection to the proposal of 50 new homes in Stocksmoor. I walk my son to Shepley first school daily along Jos Lane. The last thing our village needs is an additional 100 cars coming up the lane to Jos Lane. Its an extremely narrow lane with very few passing point's. By an increase in traffic, will lead to an increase risk of a child getting knocked down. Kirklees refuse to provide a crossing person on a very dangerous crossing in Shepley. At school drop off & pick up times, its a decrease in cars, Shepley needs, not an increase. The access point to the proposed homes, is in itself dangerous. This proposal needs to be stopped.
