<p>I have an objection to this development. this is the 3rd such large development in around Stocksmoor/Shepley. The 2 current large developments are unable to sell their properties, so why are we building more?</p> <p>The local schools do not have space for an influx of new families, nor do other facilities like doctors or dentists. Until money is spent on infrastructure in the local area then development needs to be limited.</p> <p>The road to Shepley is quite frankly dangerous for the amount of traffic using it. I fear it won't be long before a pedestrian is seriously injured on this road. It is a single lane for the majority, with barely any passing places. Another 50 family houses will likely bring 100+ cars.</p>
