<p>I object to this development. The increase in the size of village is too large. I enjoy walking through Stones Wood, however the increase in the number of cars going through Stone Wood Lane would make me feel less safe and I think this is a danger for local walkers and cyclists. I am generally worried by the increase in the number of cars going through this small hamlet. I would also be sad to see the loss of wildlife and view across the lovely green field.</p>
