I am disappointed at the proposal of all these properties in our small village

Objections are

The entrance is on a bend which is highly dangerous due to the amount that drive through this village already it's really a one way road.

Drainage problem

Look of houses in cheap horrible materials

Amount of cars that will be added to the village. Another two hundred cars possibly plus delivery vans etc

No warning given just a leaflet drop !

Wildlife will be effected massively

Doctors surgery full to bursting at moment

Schools

Traffic problems too much traffic in village. Already have racers driving through village at dangerous speeds when it's a 30 mile limit

Our view of 40 years will now be looking at a post war housing estate

It's an utter disaster for the whole area

Please reject it as it's not feasible

Thank you
