Subject: Planning Application 2024/62/91242/E - Land north east of Shepley Road, Stocksmoor, HD4 6XW

Dear Ellie Thornhill

As the case officer for Planning Application number 2024/62/91242/E, I am emailing you some supporting data and photos to go with me email objection to this development.

In my objection 'Neighbour representations id 1046058', I refer to a Stocksmoor resident survey carried out to understand the most likely route to Shepley and beyond that any new residents of the proposed development will take. I have attached the survey for your review and you will see 85% of current residents use Stone Wood Lane to access Shepley which suggests any new residents will do likewise contrary to the suggestion of Newett Home's traffic report that they will go the long way round. This will clearly add to the intensification of Stone Wood Lane, a fear expressed by Kirklees Highways.

I have also attached a few photos showing a typical daily scene on Stone Wood Lane. This road is definitely not suitable for further intensification and I would urge you to listen to the concerns of the many residents who have posted objections to this development.

Many thanks and kind regards

5 Shepley Road

Stocksmoor
