<p>I lived on Shepley Road overlooking this land for 10 years and my parents for three times that. I am not sentimental about it but a more archetypal piece of green belt is hard to imagine. More serious though is the concept of possibly 100 or more vehicles coming and going on Shepley Road and joining at the point that it becomes not much more than a single lane road. Madness. Not to mention the fact that when the snow and ice does come Shepley Road is sometimes left untouched for days or weeks. It is impassable to Shepley when the weather is bad. there will be accidents and I doubt Newett homes will come and clear it !</p>
