<p>I have lived in the village 73 years and have see it develop. Whilst there has been an increase in houses and traffic there had been zero icrease in services and infrastructure, in fact they have decreased considerably.</p> <p>The narrow lanes around the proposed development can't cope with current traffic, it will be worse with around a further 120 vehicles on the road. The proposed development is in the middle of farm land, large tractors and trailers use Stone wood lane all the time. I object to this development.</p>
