Subject: Planning Objection

t

At our Parish Council meeting on 11th August members of the public attended to get the council to support regarding a planning application in Stocksmoor. After their representation the council agreed to put in an objection to the plans but the deadline of 12th July was too tight to meet and I needed to find out how to put in the council's objection after the deadline. I now understand this needs to be by E Mail.

I therefore submit Kirkbuton's objections as follows.

Planning application 2024/62/91242/E
Land north east of Shelry Road, Stocksmoor, Huddersfield HD4 6XW

Our grounds for objection are

1. Highways.
2. Environmental Impact
3. Sewer Capacity
4. Inappropriate Development.
5. Residential Amenity.

Your help would be useful if you could advise if more information to backup the objection is needed. The council fully supported the residents who presented their case in a very detailed way.

Could you also confirm receipt of this E Mail and that it will be included in the papers to the Planning cOMMITTEE.

Thanks and Regards

John Cowan

Temporary Clerk to Kirkburton Parish Council
