Table 106 - LP62a Number of sites designated as Local Green Space .....	36
Table 107 - LP63a Amount of new or improved open space, sport or recreation facilities secured through planning applications.....	36

# 1 Introduction

The Council is required to produce an Authority Monitoring Report (AMR) by Section 113 of the Localism Act. Detail of what must be included is set out by Regulation 34 of the Town and Country Planning (Local Planning) (England) Regulations 2012. The AMR must be published at least annually and set out:

- The title, timetable, and progress towards the production of Local Plans or Supplementary Planning Documents.
- Net additional dwellings provided since the Local Plan adoption.
- Neighbourhood Development Plan progress.
- Community Infrastructure Levy information (where applicable)
- Duty to Co-operate information.

The AMR also reports on the monitoring indicators set out in Appendix 2 of the Kirklees Local Plan (Adopted February 2019) and any issues arising from the monitoring of Made Neighbourhood Development Plans by the relevant qualifying bodies. A qualifying body is a Parish or Town Council or a Neighbourhood Forum that has been specifically designated for the purpose of developing a neighbourhood development plan.

## 2 Assessing progress against the Local Development Scheme

The Kirklees Local Development Scheme (LDS) was adopted by Cabinet on 3<sup>rd</sup> December 2019. The LDS sets out the timetable for the planning policy and guidance documents being prepared by the council. The following sections provide an update in relation to the Development Plan, Community Infrastructure Levy, Supplementary Planning Documents, guidance, and emerging Neighbourhood Development Plans. It should be noted that the Levelling Up and Regeneration Act replaces the requirement to produce an LDS with that of a Local Plan Timetable (LPT). The intention is to prepare an LPT to be presented to Cabinet in January 2024 for approval. Future AMRs will be monitored against the LPT.

### 2.1 Development Plan

The Kirklees Development Plan consists of the Kirklees Local Plan and the Holme Valley Neighbourhood Development Plan<sup>1</sup>. These can be found on the council's website [www.kirklees.gov.uk/localplan](http://www.kirklees.gov.uk/localplan).

The Kirklees Local Plan was adopted on 27<sup>th</sup> February 2019 and includes a Strategy and Policies document, an Allocations and Designations document and a Policies Map showing land allocations and designations. Appendix 2 of the Local Plan Strategy and Policies Document sets out the Monitoring Framework for the policies within the Local Plan.

A formal 'review' of whether the Local Plan remains fit for purpose must be published within 5 years of Local Plan adoption (by February 2024). Outcomes of the review were presented to Cabinet on 17<sup>th</sup> October 2023 and a decision to commence with a formal update of the Local Plan was made by Full Council on 15<sup>th</sup> November 2023. A revised LDS will be produced in January 2024.

The Holme Valley Neighbourhood Development Plan (HVNDP) covers the Holme Valley Parish Council area including part of the Peak District National Park and was made (brought into force) by Kirklees Council on 8<sup>th</sup> December 2021 and by the Peak District National Park Authority on 10<sup>th</sup> December 2021.

The HVNDP comprises the policies document and associated designations. The HVNDP divides the neighbourhood area geographically into eight Landscape Character Areas where different policy considerations apply. The HVNDP designates four sites as Local Green Space and identifies individual buildings and structures to which new policy relating to their value as heritage assets now applies.

---

<sup>1</sup> For planning applications in the Holme Valley Parish Council area

## 2.2 Community Infrastructure Levy and Infrastructure Funding

The council decided not to adopt CIL on 19 January 2021 (Cabinet). If the council decides to re-visit CIL in future, the council will consult the community and update its evidence to determine the most appropriate approach to support the economic recovery of the district.

The council publishes its annual [Infrastructure Funding Statement \(IFS\)](#) in December. This document identifies the monetary sums, the council has received from developers through the planning application process to fund infrastructure improvements. It also sets out how this money has been spent or is proposed to be spent.

## 2.3 Supplementary Planning Documents (SPDs)

Supplementary Planning Documents (SPDs) provide further guidance and information relating to one or more specific policies or proposals set out in the Local Plan and once adopted they are material considerations when determining planning applications. A full list of adopted Supplementary Planning Documents can be found on the council [website](#). The Supplementary Planning Documents all form part of the objective of creating quality places.

### 2.3.1 Hot Food Takeaway SPD

The Kirklees Hot Food Takeaway SPD was adopted on 21 September 2022 and, provides further guidance to businesses and the local community on how the Local Planning Authority will assess planning applications for new hot food takeaways under Kirklees Local Plan policies LP16 (Food and drink uses and the evening economy) and LP47 (Healthy, active and safe lifestyles) and how decisions will be made which balance the need to consider the vitality and viability of centres whilst promoting healthy, active and safe lifestyles.

**TABLE 1 – PLANNING APPLICATIONS DETERMINED FOR HOT FOOD TAKEAWAYS**

	Approved since 21 September 2022	Refused since 21 September 2022
Planning applications determined for hot food takeaways	0	2
Applications where the HFT SPD was used to determine the application	0	2
Hot food takeaways approved with restricted opening hours	0	-

The following applications were refused after being found contrary to principles in the Hot Food Takeaway SPD:

- 2022/90506 - 57, Colne Road, Huddersfield, HD1 3AY - Erection of hot food takeaway (sui generis) with one 3-bedroom self-contained flat above
- 2022/92290 - Land rear of, 225, Lockwood Road, Lockwood, Huddersfield, HD1 3TG - Siting of repurposed shipping containers to form 2 hot food units and toilet.

**TABLE 2 – CHANGES TO SCHOOL NUMBERS**

	New Schools Opened	Schools Closed
2022/23	0	1

### 2.3.2 Affordable Housing/Mix SPD

The Kirklees Affordable Housing and Housing Mix SPD, adopted on 14 March 2023, provides guidance on the implementation of the Kirklees Local Plan Housing Mix and Affordable Housing Policy (LP11) which seeks to ensure provision of affordable housing in new housing developments and ensure that the housing mix meets local needs.

**TABLE 3 – APPEALS ALLOWED ON APPLICATIONS DEEMED TO BE CONTRARY TO PRINCIPLES IN THE AFFORDABLE HOUSING/MIX SPD**

	2022/23
Number of planning applications refused and subsequently allowed at appeal	0

### 2.3.3 Housebuilders’ Design Guide SPD

**TABLE 4 – APPEALS ALLOWED ON APPLICATIONS DEEMED TO BE CONTRARY TO PRINCIPLES IN THE HOUSEBUILDERS’ DESIGN GUIDE SPD**

	2022/23
Number of planning applications refused and subsequently allowed at appeal	2

The following applications were refused after being found contrary to principles in the Housebuilders’ Design Guide but subsequently allowed on appeal:

- 2021/93765 for the demolition of existing buildings and erection of a dwelling
- 2020/94345 for the erection of 5 dwellings

### 2.3.4 House Extensions and Alterations

**TABLE 5 – APPEALS ALLOWED ON APPLICATIONS DEEMED TO BE CONTRARY TO PRINCIPLES IN THE HOUSE EXTENSIONS AND ALTERATIONS SPD**

	2022/23
Number of planning applications refused and subsequently allowed at appeal	10

The following applications were refused after being found contrary to principles in the House Extensions and Alterations SPD but subsequently allowed on appeal:

- 2022/91226 for the erection of dormer window
- 2022/90884 for the enlargement of a dwellinghouse by erection of additional storey
- 2022/90054 for the erection of an extension to a roof and associated alterations
- 2022/90112 for the erection of single and two storey side extension and associated works
- 2022/90319 for the erection of a dormer to create enclosed roof terrace and application of render
- 2022/90333 for the erection of single storey rear extension and detached outbuilding, demolition of existing garage
- 2021/92507 for the demolition of existing conservatory and erection of single storey extension
- 2021/93391 for the partial demolition of dwelling, erection of two-storey side and rear extensions, porch, link extension, detached garage and external alterations
- 2021/93451 for the erection of a second floor and associated alterations
- 2020/91470 for the erection of a single storey extension, front porch and alterations to boundary wall

## 2.4 Further guidance

During the 2022/23 monitoring period, no new Guidance Notes and Technical Advice Notes were prepared to support decision making and implementation of planning applications.

The council’s approved Guidance and Technical advice notes can be found at:

<https://www.kirklees.gov.uk/beta/planning-applications/guidance-and-advice-notes.aspx> and includes the following:

- Viability Guidance (approved 10<sup>th</sup> June 2020) - This principally provides advice on the level of information the council require in order to commence discussions around development viability.
- Biodiversity Net Gain Technical Advice Note (approved 29<sup>th</sup> June 2021) - Sets out clear guidance on how biodiversity should be considered throughout the development process, including the utilisation of Defra's Biodiversity metric to demonstrate a mandatory 10% net gain in biodiversity as set out in the Environment Bill which received Royal Assent on 9<sup>th</sup> November 2021.
- Climate Change for Planning Applications guidance (approved 23<sup>rd</sup> June 2021) - Provides guidance for developers in relation to a range of factors relating to energy demand, waste, renewable energy,

flooding, water use and landscaping. This is to inform a Climate Change Statement to be submitted with planning applications.

## 2.5 Area Action Plans

Work on Area Action Plans for Huddersfield and Dewsbury has not commenced as the Huddersfield and Dewsbury Blueprints are the main council tools for programmes of work to deliver town centre regeneration. For updates see the council’s website.

## 2.6 Neighbourhood Development Plans

In Kirklees, there are currently six areas of the district that have had a Neighbourhood Area designated for the purposes of producing a Neighbourhood Development Plan. A map showing the coverage of each area can be found on the Council’s website<sup>2</sup>. The Holme Valley Neighbourhood Area includes part of the Peak District National Park. The Peak District National Park Authority (PDNPA) is the planning body for this area.

There are several key stages in the production of a Neighbourhood Development Plan following designation of a Neighbourhood Area. These include pre-submission consultation and publicity on the draft plan, submission to Kirklees Council, independent examination of the plan, referendum and making of the plan. The referendum may be in the Neighbourhood Plan Area or wider dependant on the decision of the examiner. For the plan to be successful at a referendum it needs to achieve a vote of more than 50% from those voting in the area affected. Plans which are ‘made’ (brought into force) become part of the statutory development plan for the area covered by the plan. Progress on Neighbourhood Development Plans is set out below and further details can be found on the Neighbourhood group websites.

**TABLE 6 - MADE NEIGHBOURHOOD DEVELOPMENT PLANS**

Area	Neighbourhood Group (Qualifying body)	Date Neighbourhood Area Approved	Date Made
Holme Valley	Holme Valley Parish Council	27 January 2015 (Kirklees Council)  13 February 2015 (Peak District National Park Authority)	Holme Valley Neighbourhood Development Plan was made (brought into force) at a meeting of full council on 8 <sup>th</sup> December 2021. It is part of the development plan for the Holme Valley Neighbourhood Area alongside the Kirklees Local Plan.

**TABLE 7 – APPEALS ALLOWED ON APPLICATIONS DEEMED TO BE CONTRARY TO POLICIES IN THE HOLME VALLEY NEIGHBOURHOOD DEVELOPMENT PLAN**

	2021/22	2022/23
Number of planning applications refused and subsequently allowed at appeal	0	2

The following applications were refused after being found contrary to policies in the Holme Valley Neighbourhood Development Plan but subsequently allowed on appeal:

- 2022/90054 for the erection of an extension to a roof and associated alterations.
- 2021/93391 for the partial demolition of a dwelling, erection of two-storey side and rear extensions, a porch, a link extension, a detached garage and external alterations.

<sup>2</sup> [www.kirklees.gov.uk/beta/planning-policy/neighbourhood-planning.aspx](http://www.kirklees.gov.uk/beta/planning-policy/neighbourhood-planning.aspx)

**TABLE 8 - NEIGHBOURHOOD DEVELOPMENT PLANS IN PROGRESS**

Area	Neighbourhood Group (Qualifying body)	Date Neighbourhood Area Approved	Progress
Kirkheaton	Kirkburton Parish Council	8 March 2016	Kirkheaton Future are a steering group progressing the Neighbourhood Plan for the Kirkheaton area on behalf of Kirkburton Parish Council. They are preparing a draft plan for formal consultation.
Mirfield	Mirfield Town Council	19 December 2016	A steering group is producing a Neighbourhood Plan on behalf of Mirfield Town Council. They are preparing a draft plan for formal consultation.

**TABLE 9 - NEIGHBOURHOOD DEVELOPMENT PLANS NOT PROGRESSING**

Area	Neighbourhood Group (Qualifying body)	Date Neighbourhood Area Approved	Progress
Newsome	Newsome Ward Community Forum	12 August 2014	The designation of Newsome Ward Community Forum for the purposes of preparing a neighbourhood plan expired on 12 <sup>th</sup> August 2019. The council has not received an application for re-designation as a qualifying body.
Lepton	Kirkburton Parish Council	18 September 2018	At a Kirkburton Parish Council, Neighbourhood Plans Committee meeting held on 20 <sup>th</sup> October 2022, Lepton Vision steering group stepped down from producing a Neighbourhood Plan for the Lepton area on behalf of Kirkburton Parish Council.
Netherton and South Crosland	Netherton and South Crosland Neighbourhood Plan Forum	16 November 2021	The designation of the Neighbourhood Forum for the purposes of producing a Neighbourhood Development Plan has been withdrawn by the Council's Cabinet on 14 November 2023. The group are working with the Council's Active Citizens and Place team on a community action plan.

### 3 Duty to Cooperate

The Duty to Co-operate (DtC) is set out in section 110 of the Localism Act 2011 and section 33A of the Planning and Compulsory Purchase Act 2004. Paragraph 24 of the National Planning Policy Framework states that “*local planning authorities...are under a duty to cooperate with each other, and with prescribed bodies, on strategic matters that cross administrative boundaries*”. It further states at paragraph 27 “*in order to demonstrate effective and on-going joint working, strategic policy-making authorities should prepare and maintain one or more statements of common ground, documenting the cross-boundary matters being addressed and progress in cooperating to address these. These should be produced using the approach set out in national planning guidance and be made publicly available throughout the plan-making process to provide transparency*”.

The Local Authorities sharing a boundary with Kirklees are:

- Calderdale Council
- City of Bradford MDC
- Leeds City Council
- Wakefield Council
- Barnsley Council

- Oldham Council
- Peak District National Park Authority

The district also shares a boundary with High Peak Borough Council, however the responsibility for planning functions in the area adjacent to Kirklees rests with the Peak District National Park Authority. The Duty also applies to other prescribed public bodies.

Kirklees is one of the authorities forming the West Yorkshire Combined Authority (WYCA).

The council continues to attend regular meetings and work with adjoining authorities and other public bodies to discuss strategic cross-boundary issues. The council is also committed to ongoing DtC discussions through the plan making processes.

## 4 Achieving sustainable development

### LP1A PRESUMPTION IN FAVOUR OF SUSTAINABLE DEVELOPMENT

Monitored through other indicators in the Authority Monitoring Report

## 5 Place shaping

**TABLE 10 - LP2A PERCENTAGE OF PLANNING APPEALS AGAINST REFUSALS DISMISSED**

Year	Number of appeals determined by the Planning Inspectorate	Number of appeals dismissed	Percentage of appeals dismissed	Number of appeals resulting in a split decision	Percentage of appeals with split decisions
2020/21	79	65	82%	1	1%
2021/22	87	64	74%	1	1%
2022/23	93	69	74%	1	1%

## 6 Delivering growth and sustainable development

**TABLE 11 - LP3A AMOUNT OF POTENTIAL EMPLOYMENT LAND AVAILABLE (HA) - ALLOCATIONS WITHOUT PLANNING PERMISSION**

2022/2023	Brownfield	Greenfield	Mixed	Total
Local Plan Employment / Mixed use Allocation (Ha)	8.8	23.4	37.0	69.2
Vacant land within Priority Employment Areas (Ha)	17.0	15.3	31.3	63.6

**TABLE 12 – LP3B TOTAL AMOUNT OF ADDITIONAL FLOOR SPACE ON PREVIOUSLY DEVELOPED LAND BY TYPE (SQM)**

2022/23	Eg(i)	Eg(ii)	Eg(iii)	B2	B8	Total
Greenfield	204	0	0	894	204	1302
Brownfield (previously developed)	-2860	0	8932	-7153	-8808	-9889
Mixed	0	0	0	0	0	0
Net additional floorspace (Sqm)	-2656	0	8932	-6259	-8604	-8587

Figures represent the net change in floorspace including floorspace gains and losses.

**TABLE 13 – LP3C TAKE-UP OF EMPLOYMENT LAND**

	2021/22	2022/23
Land brought into Employment Use (Ha)	12.9*	2.9
Land lost from Employment Use (Ha)	-0.8	-2.8
Net take-up of Employment Land (Ha)	12.1*	0.1

\*Following improved data validation the 2021/22 data reported in the 2021/22 AMR has been revised.

**TABLE 14 - LP3D AMOUNT OF POTENTIAL EMPLOYMENT LAND AVAILABLE (HA) WITH PLANNING PERMISSION**

2022/23	Brownfield	Greenfield	Mixed	Total
Land permitted to be brought into Employment Use (Ha)	4.0	1.7	0.3	6.0
Land permitted to be lost from Employment Use (Ha)	-1.7	-	-	-1.7
Net amount of potential employment land available (Ha)	2.3	1.7	0.3	4.3

**TABLE 15 – LP3E TOTAL AMOUNT OF ADDITIONAL EMPLOYMENT FLOOR SPACE (SQM) – BY TYPE**

Use class	B1a	B1b	B1c	B2	B8	Total
2013/14	7,933	0	210	13,691	4,544	26,378
2014/15	1,787	570	1,065	8,679	9,064	21,165

Percentage on previously developed land	47.0%	44.4%	37.0%

**LP3i DEMONSTRATION OF A FIVE YEAR SUPPLY OF DELIVERABLE HOUSING CAPACITY**

National planning policy requires local planning authorities to demonstrate five years supply of specific deliverable housing sites against their housing requirement. This includes consideration of sites with full planning permission as well as sites with outline permission or allocated in the Local Plan where there is clear evidence to justify their inclusion in the supply.

National policy also states that calculations must include a buffer of 5% to allow for choice and competition in the market for land or 20% where there is “significant under delivery of housing”. The buffer to be applied is determined by the Housing Delivery Test results.

The Housing Delivery Test results are usually published in January. However, the test results expected in January 2023 have not yet been published and the government has not set an expected date for release of the results. The latest Housing Delivery Test results determined that Kirklees include a 5% buffer in the five-year supply calculations.

The assessment of the required housing within the five-year period (taking account of under-delivery since the Local Plan base date and a 5% buffer) compared to the deliverable housing capacity, windfall allowance, lapse rate and demolitions allowance shows the current land supply position in Kirklees is 3.96 years.

**TABLE 19 – LP4A AMOUNT OF S106/CIL MONIES RECEIVED AND SPENT**

## 9.1 Primary Shopping Frontages

The aim of the shopping frontages policy is to maintain primary shopping frontages in over 60% A1 retail use (comparison goods, convenience goods and retail services) at ground floor level. A1 refers to the use class prior to the introduction of the new use class E on the 1 September 2020.

\*Information is only available for Huddersfield

The above table excludes rail passenger data for 2022 which is not currently available. This is usually obtained through WYCA, but they are currently in discussion with operators to obtain the Gateline data, as such this is not yet available for 2022.

Count data is not available for the 2020-21 period as surveys were not carried out due to Covid-19. The last data received for this indicator was in the 2020 AMR which covered the 2019-20 period.

**TABLE 57 - LP21A NUMBER OF ROAD CASUALTIES**

	2020*	2021	2022
Number of road casualties killed and seriously injured	127	194	235

In April 2021, the police moved to a new reporting system called CRASH which has changed how some of the injuries sustained in collisions are recorded. \*The 2020 information has been adjusted from the figure reported previously to reflect the change to the new system. The data presented for 2021 includes 3 months of unadjusted, pre-CRASH data (January-March 2021), as well as 9 months of CRASH data (April-December 2021). The increases above are consistent with what we are seeing both at a National and West Yorkshire level with analysis work on-going at both a local level and across the West Yorkshire Partnerships to understand why there has been an increase and what mitigation measures may be required to address and change the trend.

## 11 Design

**TABLE 60 - LP24A APPEALS ALLOWED ON PLANNING APPLICATIONS DEEMED CONTRARY TO POLICY LP24 DESIGN**

	2020/21	2021/22	2022/23
Number of planning applications refused and subsequently allowed at appeal	11	8	18

The following applications were refused after being found contrary to Policy LP24 but subsequently allowed on appeal:

- 2022/91111 for advertisement consent for the erection of 48-sheet digital advertisement board
- 2021/93765 for the demolition of existing buildings and erection of a dwelling
- 2022/91226 for the erection of a dormer window
- 2022/90711 for engineering operations to regrade a garden with a raised patio, a hot tub, decking, a retaining wall and terraces
- 2022/90054 for the erection of an extension to a roof and associated alterations
- 2022/90112 for the erection of a single and two storey side extension and associated works
- 2022/90199 for single storey rear extensions and associated alterations
- 2022/90319 for the erection of a dormer to create an enclosed roof terrace and application of render
- 2022/90333 for the erection of a single storey rear extension and a detached outbuilding and demolition of an existing garage
- 2022/90494 for the erection of stables
- 2021/92507 for the demolition of an existing conservatory and erection of a single storey extension
- 2021/93391 for the partial demolition of a dwelling, erection of two-storey side and rear extensions, a porch, a link extension, a detached garage and external alterations
- 2021/93451 for the erection of a second floor and associated alterations
- 2021/91724 for the erection of raised decking with a balustrade, new door opening and 3 giant umbrellas to the rear (Listed Building within a Conservation Area)
- 2021/91285 for the erection of a single storey rear extension
- 2020/91470 for the erection of a single storey extension, front porch and alterations to a boundary wall
- 2020/94345 for the erection of 5 dwellings
- 2021/93245 for prior notification for a proposed 15.0m Phase 8 Monopole C/W wrapround Cabinet at base and associated ancillary works

Number of planning applications refused and subsequently allowed at appeal	1	1	0

## 12 Climate change

**TABLE 62 – LP26A THE AMOUNT OF RENEWABLE ENERGY GENERATION BY INSTALLED CAPACITY AND TYPE**

	2022/23 New Planning Applications	2022/23 New approved capacity (kW)*
Wind	0	0
Solar Photovoltaic (PV)	22	3578.4
Solar Thermal	0	0
Heat Pumps	3	59.3
Hydroelectric	0	0
Biomass Combustion	0	0
Biomass Anaerobic Digestion	0	0
District Heat Networks	0	0

\*Monitoring data is only available for capacity approved and where stated through planning applications. It does not include data for capacity created through permitted development.

Note:

- 7 of the 22 applications approved for Solar Photovoltaics did not specify capacity.
- 1 of the 22 applications (proposing 52 PV panels) stated the expected yield from the Solar Photovoltaics is to be 18,322kWh per annum. This information regarding capacity is not captured in the above table.

**TABLE 63 - LP27A NUMBER OF PLANNING PERMISSIONS GRANTED CONTRARY TO SUSTAINED OBJECTION OF THE ENVIRONMENT AGENCY ON WATER QUALITY GROUNDS**

	2020/21	2021/22	2022/23
Number of planning permissions granted contrary to sustained objection of the Environment Agency on water quality grounds.	0	0	0

	2021/22	%	2022/23	%
Approved applications involving a water body with an approved future management plan.	N/A	N/A	N/A	N/A

There were no applications on new sites with a water body in 2021/22 and 2022/23.

## 13 Natural environment

**TABLE 66 - LP30A AREA OF LAND DESIGNATED OR PROTECTED FOR BIODIVERSITY AND GEOLOGICAL IMPORTANCE**

	2021/22 Area of Land (Ha)	2022/23 Area of Land (Ha)
Sites of Special Scientific Interest (includes Special Protection Area and Special Conservation Area)	4,845	4,845
Local Wildlife Sites	1,187	1,187
Local Geological Sites	83	83
Ancient Woodland	1,083	1,083
Habitats of Principal Importance	Information not available	Information not available

In 2022/23 the total area of biodiversity importance in Kirklees is 6,506 hectares. This is the entire land area covered by one or more environmental designations listed in Table 66. It does not double count land with more than one designation, for example Ancient Woodland that is also a Local Wildlife Site.

**TABLE 67 - LP31A NET AMOUNT OF NEW STRATEGIC GREEN INFRASTRUCTURE**

	2020/21 Area (Ha)	2021/22 Area (Ha)	2022/23 Area (Ha)
Net amount of new strategic green infrastructure	0	0	0

Number of planning permissions granted contrary to sustained objection of the Environment Agency on water quality or flood risk grounds	0	0	0

## 14 Historic environment

**TABLE 71 - LP35A LOSS OF SITES OF ARCHAEOLOGICAL IMPORTANCE INCLUDING SCHEDULED MONUMENTS**

	2020/21	2021/22	2022/23
The number of sites lost through the planning process where permission has been granted for works affecting sites of archaeological importance	0	0	0

**TABLE 72 - LP35B NUMBER OF DESIGNATED HERITAGE ASSETS CONSIDERED AT RISK**

	2020/21	2021/22	2022/23
Scheduled Ancient Monuments	3	3	3
Churches	10	11	11
Buildings	6	7	7
Total	19	21	21

There are 4 Conservation Areas considered at risk: Birkby, Dewsbury Town Centre, Holmfirth and Huddersfield Town Centre. Figures for buildings at risk have been taken from the national Heritage at Risk Register 2022 and include those designated at Grade I and II\* as well as churches at any grade. They do not include secular Grade II listed buildings as we do not keep a formal record of these.

**TABLE 73 - LP35C LOSS OF AND ADDITIONS TO DESIGNATED AND NON-DESIGNATED HERITAGE ASSETS**

## 16 Waste

**TABLE 85 - LP43A AMOUNT AND PERCENTAGE OF LOCAL AUTHORITY COLLECTED WASTE (LACW) ARISING AND MANAGED BY MANAGEMENT TYPE**

	2020/21 (tonnes)	2020/21 %	2021/22 (tonnes)**	2021/22 %**	2022/23*** (tonnes)	2022/23 *** %
Waste to Energy (Incineration)	120,615	62	116,342	64.3%	Not Available	-
Landfill	22,254	12	16,465	9.1%	Not Available	-
Recycled/Composted	48,378	25	47,043	26.0%	Not Available	-
Other*	2,264	1	1,086	0.6%	Not Available	-
Total	193,511	100%	180,936	100%	Not Available	-

\* Waste that was not transferred to a final destination. Some of this was due to processing loss (including drainage/drying of street sweepings and green waste prior to transfer) and some due to collected waste not yet having been transferred to its final destination.

\*\* 2021/22 has been updated from the 2022 AMR after validation by DEFRA in April 2023.

\*\*\* 2022/23 data not yet available, awaiting publishing and validation by DEFRA. Expected to be available in April 2024.

**TABLE 86 - LP44A NUMBER OF PLANNING PERMISSIONS GRANTED FOR NEW WASTE MANAGEMENT FACILITIES**

	2022/23
Number of permissions granted	0

**TABLE 87 - LP45A APPEALS ALLOWED ON PLANNING APPLICATIONS DEEMED CONTRARY TO POLICY LP45 SAFEGUARDING WASTE MANAGEMENT FACILITIES**

	2020/21	2021/22	2022/23
Number of applications refused and subsequently allowed at appeal	0	0	0

**TABLE 88 - LP46A PERCENTAGE OF HOUSEHOLD WASTE SENT FOR REUSE, RECYCLING AND COMPOSTING**

	2020/21	2021/22	2022/23*
Household waste sent for reuse, recycling and composting, in accordance with reporting requirements to DEFRA (NI 192)	25.0%	26.9%	Not Available

Recycled and composted waste increased from 22% to 26.7% in 2019/20 due to the introduction of brown garden waste bins increasing compostable waste, and the completion of an intensive green bin monitoring project that increased recycling and decreased contaminated green bin material.

\*2022/23 data not yet available, awaiting publishing and validation by DEFRA. Expected to be available in April 2024.

**TABLE 89 - LP46B PERCENTAGE OF LOCAL AUTHORITY COLLECTED WASTE SENT TO LANDFILL**

	2020/21	2021/22	2022/23*
Local Authority Collected Waste sent to landfill, in accordance with reporting requirements to DEFRA (NI 193)	11.5%	10.8%	Not Available

Landfilled waste decreased from 8% to 3% in 2019/20 due to the completion of an intensive green bin monitoring project that increased recycling and decreased the amount of contaminated green bin material sent to landfill.

\*2022/23 data not yet available, awaiting publishing and validation by DEFRA. Expected to be available in April 2024.

## 17 Health and supporting communities

**TABLE 90 – LP47A HEALTHY, ACTIVE AND SAFE LIFESTYLES**

Monitored through other indicators in the AMR - See LP50, LP61, LP62 and LP63

**TABLE 104 - LP61A(i) AMOUNT OF URBAN GREEN SPACE LOST TO DEVELOPMENT**

0 applications approved that have resulted in a loss of urban green space.
--

**TABLE 105 - LP61A(ii) AMOUNT OF URBAN GREEN SPACE PROTECTED THROUGH THE REFUSAL OF PLANNING PERMISSION**

1 application refused on urban green space grounds. Officers considered the proposal would be contrary to policy LP61 of the Kirklees Local Plan by virtue of the loss of valuable urban green space.
---

**TABLE 106 - LP62A NUMBER OF SITES DESIGNATED AS LOCAL GREEN SPACE**

	2020/21	2021/22	2022/23
Number of sites designated as Local Green Space	0	4*	0

\*Designated through the Holme Valley Neighbourhood Development Plan

**TABLE 107 - LP63A AMOUNT OF NEW OR IMPROVED OPEN SPACE, SPORT OR RECREATION FACILITIES SECURED THROUGH PLANNING APPLICATIONS**

7 planning applications* approved in 2022/23 with on-site open space and an off-site financial contribution in lieu of on-site provision.
Of these 7 planning applications, 6 provided approximately 3.8ha of new on-site open space. The amount of on-site open space provided under 1 application is unknown.

\*Only full and reserved matters planning applications have been reviewed.

Following a review of planning applications determined in 2021/2022, an updated position for the amount of new or improved open space, sport or recreation facilities secured through planning applications in 2021/2022 is provided below:

21 planning applications\* approved in 2021/22 with on-site open space and/or an off-site financial contribution in lieu of on-site provision.

Of these 21 planning applications, 13 provided approximately 7.57ha of new on-site open space. The amount of on-site open space provided under 3 applications is unknown.

5 of the 21 planning applications approved offered financial contributions in lieu of on-site open space.

\*Only full and reserved matters planning applications have been reviewed.
