Subject: APP/Z4718/W/25/3375000 - Rule 6 Party Proofs of Evidence [, Garganey Trust]

Dear

I must first say how sorry I was for the breach of protocol a few days ago. I hope you will accept my apologies.

I am aiming to send in proofs of evidence this evening, each one separately.

The first is from of Garganey Trust.

We are hoping to supplement that with a very short statement and video of the sewer manhole (and dike) in flood today by and we hope that the Inquiry will be able to accept it.

This is not new evidence in the sense that it is simply a video version of still photographs that took and included.

This does also follow the theme and statements we have been making throughout this process.

Yours sincerely
