<p>Wish to object again this application has too many issues which over the past years has got worse</p> <p>1 flooding witnessed myself houses at the bottom of Brookfield view flooded couple of years ago Kirklees council still not addressed the issue too much water can not get under</p> <p>blame road bridge</p> <p>Also mining issues on the site requires a lot of work</p> <p>Yorkshire water has a drain and sewer over the land which recently overflowed they didn't apparently knew existed</p> <p>Wildlife has since come back owls badgers and deer have been seen on the site such a shame these green spaces should be left for people to enjoy</p>
