**Subject:** Planning for merchant fields

**Categories:**

Good afternoon,

I am e mailing you to object planning permission for merchant fields off hunsworth lane cleckheaton, app number 2024/91260 . I am objecting as we live across from merchant field, if you build houses on there i do think it would be a bad decision, this land above mine shafts to begin with, plus i believe asbestos is buried under and if this is exposed it would be bad for people that live around this area , also the more buildings the more traffic , this causes more pollution, its ok for the people that do not live around here but our health matters, plus building more houses, but no more schools, doctors, dentists, this little village is a village for a reason, please no more houses in hunsworth, i think i speak for everyone that lives in hunsworth not only near merchant fields Sent from my iPhone
