Do you wish your comments to be published on the website anonymously?	No
Again local residents have to object to this stupid idea of building houses on merchant fields, how many times are harron homes going to change their mind about what yhey ate building? My objections still remain as per previous times, its just not the correct place to build a housing estate thd sizd they are proposing, why doesnt the council get a grip and do whats right and protect this bit of gvern belt and use some more appropriate land in the kirklees area ?
