<p>I want my personal details be removed and not published</p> <p>My objections are below.</p> <p>Nature- they are a selection of wildlife that are seen daily, we have Owls, Kestrel and Deer. Their habitat will be ruined.</p> <p>Infrastructure for the local surrounding areas, where are the extra school places coming from, Doctors and Dentists additional places needed.</p> <p>Traffic- the area is going to be even more congested</p> <p>The view-my rear garden is South Facing and my view is going to be lost</p> <p>The noise and disruption from the building works, i WFH several days a week and this will impact my work environment</p> <p>Mine shafts- there's hidden mine shafts and I've witnessed Yorkshire water vans getting stuck in the field</p>
