Address of the site or building:	Land at, Merchant Fields Farm, off Hunsworth Lane, Cleckheaton
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
<p>I again would like to object in the strongest terms to this application. Our small village does not need this development which will impact every single homeowner in Hunsworth. Our roads are narrow and cannot cope with high volumes of traffic, the environmental impact high volumes of traffic on the air quality and higher pollution levels are not good for our health and wellbeing.</p> <p>The site is unsuitable due to well publicised flooding and previous objections from Yorkshire Water. Since the previous wildlife habitats were removed by Harron Homes and the lapse of time. The wildlife has returned. Owls, badgers, foxes, deer and bats can be seen regularly in the field usually on a daily basis this would be destroyed if the homes were built.</p> <p>If these homes were built where would everyone go to school? Where would everyone go to the doctors? How will our roads cope, especially with the homes that are being built at Bluehills farm which will also use the same roads and impact the schools and doctors and local infrastructure. I implore you to apply a common sense approach and think about the impact on our small community and refuse planning permission for this application.</p>
