2024/N /91475/E	Saxon Field House Farm, 18, Windmill Hill Lane, Emley Moor, Huddersfield, HD8 9TAPrior notification for erection of agricultural building	26/06/2024	Objections due to: over-shadowing, loss of light, size of the development and traffic considerations. Councillors were also aware of local residents concerns.	Refused:The submitted plans demonstrate that the agricultural building would have an overall footprint of 1414m2. The design and access statement outlines that this scale is necessary to take the business forward and to accommodate the required functions. However, as the building would exceed 1000 square metres, the proposal would fail to accord with sub paragraph A.1(e)(ii) and would not be permitted under Schedule 2, Part 6, Class A of the Town & Country Planning (General Permitted Development) (England) Order 2015.
