<p>Planning Application Number: 2024/62/91411/W</p> <p>Dear Planning Committee,</p> <p>I'm writing to support the planning application to change 250 Deighton Road from office use to a place for public worship, religious instruction, and education.</p> <p>As a local resident, I believe this change will be hugely beneficial for our community, particularly for young people. Having a community space like this will give them a place to go, which is especially important in our diverse area.</p> <p>The building itself is set back from the road and, if left empty, could become a target for vandalism and fall into disrepair, potentially becoming a hazard. Giving it a new purpose will help preserve this beautiful Victorian property and ensure it's well-maintained.</p> <p>I also think this change will make our area feel more inclusive, catering to various beliefs and activities. With ongoing issues at the local North Huddersfield Trust School, this new facility could serve as a positive outlet for youths, providing them with a safe and supportive environment.</p> <p>Overall, I think this change will add a lot to our community and hope the planning committee will approve it.</p> <p>Thanks for considering my views.</p>
