<p>I am writing to oppose the planning application lodged.</p> <p>To begin with, there is constant traffic and congestion on this road. This road is quite narrow. Those intending to use the building will only add to the congestion and traffic on the issue which, in turn, affects the condition and maintenance of the road.</p> <p>In addition, I disagree with the supporting comments submitted that this is a "positive" feature - to begin with, Northfield Hall (less than 10 minutes walking distance) acts as a local community hub and supports both youth projects and projects in the wider community. Northfield Hall features off-road parking and is situated in the ideal location. This proposed venue is NOT.</p> <p>I am also concerned about the consequences of any after hours activities at the proposed site, who will be regulating these and the possibility of anti-social behaviour at the premises.</p>
