<p>I am happy to support the construction of a new community centre for the Muslim community in our area. This centre is greatly needed as our children currently have to travel far from home to receive religious education. Having this facility nearby would provide them with valuable education on peace, harmony, and mutual respect.</p> <p>Additionally, the presence of the community centre would encourage drivers to be more cautious and reduce their speed, ensuring the safety of our children as they walk in the vicinity.</p> <p>As a resident of this area, I fully support the establishment of this community centre and have no objections. Thank you.</p>
