<p>We are highly in favour of the new plans as we believe this is needed for the community it's the perfect place for the local youths to get educated in a diverse safe environment we also believe it will have a positive impact on the community bringing house prices up and bringing more business to the locals like ourselves resulting in a better safer environment for all who live here. As youths of the Deighton/brackenhall area we use to travel to Birkby to attend mosque and use to pray they was something like this in our area as we believed it would have helped a lot more of us growing up resulting in a better area today, so hopefully this can go ahead and help future generations to come.</p>
