As a resident in Deighton, our youth have often been left with nowhere to go and nothing to do, leading to loitering in random alleyways and even damage to my property in the past as a means of fun. Changing this space I think will provide them with a safe and engaging environment, keeping them off the streets and hopefully involved in positive activities. Honest opinion, this change is not just beneficial but necessary for fostering a stronger, more connected community. All in all, we support the initiative and hope approval is granted.
