

Change of use from commercial back to residential

Please note – I entered an incorrect address in the name of the application – this planning application is related to the address below and location provided within the application.

20 Holmfirth Rd, Meltham, HD9 4ES

This property had a change of use back in approx. 2019 from residential to commercial for the purpose of running a beauty salon. We are selling the property to be used as residential and wish to change to use back accordingly.
