<p>The property will be overly large for the area, there are no other properties nearby with this level of build. It will be overbearing to the area.</p> <p>The property will have the upper level looking over neighbouring gardens, which gives a loss of privacy. Even a house two away will be overlooked by this proposal.</p> <p>There is already an overspill of vehicles into the surrounding roads and areas, as the property has multiple occupants, adding another level to the site will increase this. This will make road safety an issue for all of the surrounding neighbourhood, putting children at risk as cars parked on roadsides and curbs cannot easily be seen around.</p>
