Dear Sir or Madam

Re Proposed New Development at

1 Viewlands Fixby Huddersfield HD2 2HY

I was appalled to learn that the owner of the above property had submitted Planning for additional Services to the existing property which implies more than one Storey.

This house is in a prominent position on the corner of Viewlands and The Fairway and would be out of character with the area with bungalows in front and houses, adjacent to the property.

The garden has been concreted over for him to store Commercial Premier Hire, Camper Van which has never moved in the past two years and a number of cars which will have devalued the area.

Adding further stories to his House can only make things worse please give consideration to all the people that live and drive past this property on a daily basis.

Yours sincerely
