<p>Whilst I would like to see the vacant site developed and have no issue with two houses being built, i would like to see the relationship of the ridge line in proportion to the existing house (4 Old Lane), as anything higher would impact my view? (the existing house is marked as ridge height of 314.44 on plot 2)</p> <p>Also i would hope that KMC would enforce all road improvement works on Old Lane / Taylor Lane prior to commencement so that the developer/contractor does not leave work incomplete as previous?</p>
