

**Consultation Response from KC,
Trees**

2024/91593 410, Birkby Road, Birkby, Huddersfield, HD2 2DN

Erection of detached outbuilding

Date Responded: 19/06/2024

Responding Officer: Jack Dunn

Responding Ref: 14/75

The site is heavily constrained by trees most of which are protected by TPO 14/75. There has been no tree information submitted and therefore I cannot judge the impact on the surrounding trees. There is a holding objection until an Arboricultural Impact Assessment and an Arboricultural method statement is submitted to show the impact on adjacent trees as well as how they will be protected during construction.
