Dear Sir or Madam

**PROPOSED ELECTRICTY SUBSTATION AT: NEWLAY Concrete Ltd Premises,  
Thornhill Works, Calder Road, Dewsbury. WF12 9HY**

In order to maintain electricity supplies at the above location we shall need to establish a new substation in the position shown coloured red on the attached plan.

The new substation enclosure will not exceed 29 cubic metres in capacity and is therefore exempt from planning control by virtue of the provisions within The Town and Country Planning (General Permitted Development) Order 2015, schedule 2, Part 15 Class B (e).

A drawing of the substation enclosure is enclosed for your reference.

If you have any queries, please do not hesitate to contact me at the above address.

Yours faithfully.

**Lynn Webster**  
**Wayleave Officer**
