<p>Oi dumplings in an asset to the village of marsden and is based in a commercial property among with other eateries and restaurants who have licenses to stay open and serve alchol until later in the evening's. I do not feel these restrictions are fair given the fact other restaurants on the same street can seve. They are not a drinkers bar they are a restaurant bringing much needed trade into the village. People who will also then shop in the village and hopefully return. I had a shop on the same street and closed it due to lack of footfall. Why make it harder for businesses to be successful. The owners are responsible and respected within the community. I live locally on the same street and whole heartedly support the application for them to open later and serve alcohol just like the many other businesses in the village. They are offering a unique dinning experience that people will travel for and want to enjoy past 6pm.</p> <p>Thank you</p> <p>1 ingfield house Manchester road Marsden Hd7 6et</p>
