<p>I am in support of the extension to opening hours for Oi Dumpling. As the area around Peel St already contains 2 businesses with late licenses, one of which also serves food there isn't any logic for why they should not be granted the same. The type of clientel which will drink and eat there is not the same as those that drink at the riverhead pub across the road, who are not only allowed to drink till late but also outside the premises. There is no fair reason for restricting opening hours compared to other local businesses.</p>
