<p>I visited cafe oi yesterday, the cafe has a lovely relaxed atmosphere and the cafe was in no way loud or disruptive to anyone on peel street, and I cannot imagine this small business causing disturbance to any neighbours by granting a later licence. They are a food establishment, a high quality food establishment that would bring business and visitors to the village. There is a public house yards across the road for drinkers, so seems slightly unfair they have not been granted a later licence, it makes sense they want to serve food after 6.00pm, I would have have preferred to have visited after this time.</p>
