<p>I absolutely support the variation to allow Cafe Oi to extend opening hours to after 18:00. It is patently nonsensical for a restaurant with huge potential nighttime popularity to be the subject of a planning decision to shut or stop serving alcohol in what is effectively the afternoon, especially in a village with such limited nighttime options for its residents. Kirklees Council should be supporting new and vibrant businesses which will enliven and give an economic boost to our village, not actively restricting the potential of those businesses to thrive, or even survive. The council ought to be able to spot positive opportunities for our area, not stifle them based on the unfounded and unevicenced concerns of a tiny minority.</p>
