<p>I would like to take this opportunity to support the applicants in their efforts to have their opening hours amended.</p> <p>It is clearly unfair and unnecessarily restrictive for them to have to close at 6pm, especially considering neighbouring businesses of the same type are able to stay open for longer.</p> <p>Furthermore, many working people, like myself, who might like to eat at their establishment on weeknights won't realistically be able to once they have finished work. As a result, they are losing out on customers and the local economy and is losing out money that would otherwise be spent here and in other businesses too.</p> <p>I hope a common sense approach will be taken here, and the opening hours extended to match those of comparable businesses nearby.</p> <p>Thank you,</p>
