<p>There should be no reason as to why Oi Cafe should not be able to open after 6pm, there are at least 4 other establishments, one being across the road and next door but one which open after 6pm, and also serve alcohol. It seems completely unfair and ridiculous to not allow later opening times and an alcohol license. I assume the objections are of the minority. It would be good to compare the footfall of Oi and the opposing shop next door, and look at how much tourism each establishment generates for Marsden as a village.</p>
