<p>I wish to support the application for extended opening hours and license for Cafe Oi. This restaurant is in the immediate vicinity of other licences premises, which are not required to close at 6pm. It is not a pub, and does not attract noisy customers who attend for the specific purpose of drinking alcohol alone.</p> <p>I live in the centre of Marsden, and have never been disturbed or inconvenienced by any of the licensed businesses close by. Marsden is a thriving village because of its diverse cafes/ restaurants, and it is unfair that this one should not be allowed to prosper as all the others do, due to some misplaced "concern" by a minority of people, who have sadly been misled and misinformed.</p> <p>I urge you to reconsider your original decision, and allow this business to trade with equal opportunities to their surrounding neighbours.</p> <p>I give my 100% support to the hard-working owners who just want equal opportunities as the other businesses.</p>
