<p>I am writing in support of the request to amend condition 4 to extend opening hours.</p> <p>Having worked in Marsden for the past 12 years, I have seen the village thrive, suffer and begin to rebuild and revitalise to thrive again. A lot of that is due to new hospitality venues opening and the evening trade in Marsden.</p> <p>The diversity in cuisine and the environment that Café Oi offers is enticing, exciting and attractive to both locals and those visiting the village.</p> <p>With their presence on social media and the recognition of the awards Oi Dumplings have received for their cuisine will bring people and custom to the village also.</p> <p>Being allowed to operate under restaurant hours and open later will bring activity and more life to the high street, especially the evening trade, and can only benefit the village of Marsden and support the economic strategy, not only of Kirklees council but that of the new Labour government to see economic growth in towns and villages.</p> <p>The business is already known in the village as they have been operating in an outdoor only venue for the past 3 years and the excitement drummed up in the village of Oi Dumplings moving into an indoor venue (Café Oi) is something that should not be ignored, this amendment to condition 4 is something the village wants and welcome with open arms as everyone wants to see a small business thrive.</p>
