| <p>I am writing to support the extension of the opening hours for Cafe Oi.</p> <p>The main concern raised is the potential increase in anti-social behavior related to alcohol consumption. However, Peel Street already has several establishments that serve alcohol, including three pubs. It seems unlikely that a café offering drinks alongside food will significantly increase anti-social behavior.</p> <p>There are also concerns about food smells, which are valid but can be addressed by improving the café's extraction system.</p> <p>Most importantly, I am concerned about the negative impact of not allowing this business to extend its hours. Kirklees is well-positioned to capitalize on the regional growth we have experienced, and the hospitality industry plays a crucial role in this.</p> <p>If businesses perceive the council as unsupportive of their growth, they may be deterred from investing here and choose to start elsewhere.</p> | |
