<p>Hi, I fully support O dumplings in there request to be able to be open 'normal' restaurant times</p> <p>I do not really understand why they have been denied this so far</p> <p>They are such a good addition to the village where I have lived for 28 years or so.</p> <p>They offer a different type of food than available anywhere else. When then were in the little 'cabin' their reputation spread very fast and people came from far and wide .</p> <p>the only restriction was the space they had for tables and the weather as they were outside</p> <p>People go there for food not to drink lots of alcohol and be a nuisance to residents.</p> <p>There is a pub on the other side of the road which also provides food with no restrictions</p> <p>Thee is another establishment Peel street social that has no restrictions</p> <p>I would urge you to consider why the same can not be granted to O dumplings</p> <p>thank you</p>
