<p>I am writing to express my strong support for the proposal to extend the operating hours of Oi in our community. As a frequent patron of this establishment, I believe that allowing the restaurant to stay open later would not only benefit the business but also enhance the overall vibrancy of our neighborhood.</p> <p>Extending the operating hours of Oi would provide more flexibility for customers to enjoy a meal or a drink after work or evening activities. This would not only cater to the needs of local residents but also attract more visitors to our area, boosting economic activity and potentially creating new job opportunities.</p> <p>Moreover, the restaurant has a good track record of being a responsible business in terms of noise control, waste management, and community engagement. I have full confidence that they will continue to uphold these standards even with extended operating hours.</p> <p>In conclusion, I believe that extending the operating hours of Oi would have a positive impact on our community and contribute to its growth and development. I urge the council to seriously consider this proposal and support the restaurant in serving its customers better. Thank you.</p>
