<p>Although I don't live in Marsden, I am a regular visitor as I have family who live there.</p> <p>I was thrilled to see this opening, finally somewhere selling something different but shocked to see the opening hours which seem to make little sense given other business in the area.</p> <p>I don't believe granting this application will have a negative effect on the area. There are other restaurants and a pub which serve alcohol in the area and have never seen or heard of any anti social behaviour. Any attempt to suggest this premises will cause noise or disorderly conduct is unfair as this premises looks to attract professional people, who will not be able to take advantage of midweek closing hours of 6pm.</p>
