<p>I am a Huddersfield resident and regularly visit Marsden and spend money in its businesses.</p> <p>I am excited at the prospect of a restaurant in my area that offers diverse cuisine and would like to attend during the evening as I work full time.</p> <p>I do not believe extending the opening hours past 6pm would encourage "rowdy behaviour" as noted in the objection. Oi Dumplings is a restaurant, and as such it's main offering is a sit down meal. Patrons are highly unlikely to attend and consume enough alcohol to become "rowdy" as the purpose of attending would be to consume food. Serving alcohol alongside food is, and has been, established custom for some time.</p> <p>To contest this application based on late opening in an area directly across from a pub and in close proximity to other restaurants in a central high street is peculiar and the reference to "spicy food" and resulting "smells" in the objection strikes me as prejudiced.</p> <p>I believe Oi Dumplings should be granted later opening hours to make it possible to serve meals to residents and visitors, making a valuable contribution to the local economy.</p>
