<p>I fully support the requested extension of hours. I feel this is a perfect establishment for the village and allowing later opening times will give consumers more chance to go and enjoy their establishment.</p> <p>As full time workers we know, these current opening times don't always fit in with our work/lifestyle, however the option to go after work or late evening makes much more sense all round.</p> <p>Villages need more establishments like this to keep people coming back and allow people to spend their money locally.</p>
