Oi cafe is such an asset to Marsden and its high street. But not allowing a food business operate at a time that covers the evening meal fully and captures the after work crowd is not going to support the growth and regeneration that Marsden has seen of late. I remember Marsden when it didn't have these new, interesting and vibrant businesses. I remember a time when its high street was dying and it wasn't somewhere you would go for an evening and spend your money. The rules being applied to Cafe Oi are out of line with that of the other food business on the same street!!! There are numerous other businesses that are open later and serve alcohol until later so why not cafe Oi!
