<p>After visiting Cafe Oi for the first time this week I cannot understand as to why the licence for this business cannot be extended in line with every other neighbouring restaurant, bar and pub in the village. The food served by Cafe Oi really is the best Marsden has to offer, but it is such a shame that they are not open later in the day. Oi are missing out on valuable custom due to the limitations of their opening hours, it is not fair that this business could fail due to what appears to be objections from one person. Marsden needs lovely places like Cafe Oi, it's what makes the village such a nice place to be, please reconsider extending their licence.</p>
