<p>I am genuinely concerned about the stagnation of Marsden village and the impact restrictions on opening hours would have on the growth and regeneration of the area and particularly peel street. This business is an asset to the village drawing in visitors who may like to enjoy a meal once they finish work. The owners are responsible business women who care passionately about the area and want only the best for residents and customers alike. I fully support this application and see only a positive outcome for the village should their application be approved.</p>
