<p>Im not sure why neighbours are objecting to opening after 6pm. The food served lends itself more to later afternoon/ evening with the choice of having a drink to accompany it. There is little to choose from in terms of eating places either in Marsden or Slaithwaite (there is a bit more choice on weekends) and it would be nice to have another choice for food and drink in the evening. Shouldn't we support local entrepreneurs and enable them to be succesful rather than put barriers in to prevent success?</p>
